CLOTHING SUGGESTIONS:

The weather on St. Paul Island can be wet and windy, most often 10 or 20 degrees cooler than when you leave Anchorage! Visitors can always take refuge in the hotel or on our 22 passenger, bathroom equipped tour buses.

The proper clothing will make the trip much more enjoyable. Dress casually and for comfort. We suggest waterproof footwear and layered clothing with water and wind proof outer shell to make it easier to adjust to changing temperatures. Normally waterproof hiking boots are sufficient, but birders and intrepid travelers may wish to bring sturdy rubber boots. A hat and gloves are essential, as are good binoculars and cameras for viewing and recording the magnificent Pribilof wildlife.

TOUR:

Our experienced, professional tour guides spend 3.5 hours in the morning, 4 hours in the afternoon, and 2 hours in the evening out in the field. The tours are very flexible and will change itineraries based on the group's interest or if there is a "hot birding" spot. All tours are optional. Time will allow for Breakfast, Lunch and Dinner.

You will also have the option to take a tour of the Museum and/or the beautiful Russian Orthodox Church.

MEALS:

Meals will be served at the local cannery, Trident Seafood. The meals are served buffet style and the options are plenty. The Trident facility is the only restaurant on the Island; however there is a Grocery store for purchase of snack items etc. (with ATM) Please be advised that the prices are significantly higher than on the mainland due to shipping costs. ***Daily meal vouchers ARE INCLUDED IN THE PACKAGE PRICE. Breakfast, Lunch and Dinner will be provided each day. (based on arrival and departure times)*** Vouchers will be mailed to you upon full payment of tours. If time does not permit advance mailing, the Tour Director on Island will distribute to guests. It is mandatory for guests to pre-pay meal vouchers through St. Paul Island Tours.
